

A CONSORTIUM OF BAY AREA  
TRANSPORTATION  
AGENCIES

# BUSINESS OUTREACH COMMITTEE TECHNICAL ASSISTANCE WORKSHOP

## Presenters

### Ingrid Merriwether

President /CEO of Merriwether & Williams Insurance Services . In addition to traditional property and casualty insurance, surety and risk management services, Ingrid's firm specializes in unique insurance and bonding solutions for public construction.

### Carrolyn Kubota

Project Director of the Small Business Transportation Resource Center. Her purpose is to offer a comprehensive delivery system of business training, technical assistance, and dissemination of information targeted toward transportation-related small business enterprises.

### Bryan Berthiaume

Has worked in and around the construction industry for over 19 years. Hired by the Foundation for Fair Contracting in 1997, he quickly became the top investigator/labor compliance officer. In 2004, Bryan was promoted to the position of Executive Director. Bryan now oversees a staff of 15+ employees—all working in some facet of labor compliance. In addition to his duties as FCC Director, Bryan performs training seminars throughout Northern California. Bryan holds a degree from the California State University, Hayward.
